

**REMOTE EQUIPMENT USAGE
PARENT/GUARDIAN PERMISSION**

This document represents my acknowledgement that I am _____'s legal parent/guardian and that said minor has my permission to use and sign out VCAM's remote equipment.

I understand that this means the minor may sign out cameras, lights, microphones, or other expensive video equipment and that I may be held fiscally responsible for damage or theft due to negligence on the part of the minor. I also understand that said equipment may be valued at replacement cost which could be in the vicinity of \$3500.00.

Having been made aware of my potential fiscal responsibility, I agree to and give my permission for the named minor to sign out the equipment until such time as I rescind my permission in writing or said minor reaches the age of majority (eighteen)
